- To avoid making inconvenience to the hotel guests, please refrain entering aisle or hotel lobby from the from the hotel formal entrance.
- Toilet at underground floor is limited to those who are permitted to enter public bathing areas.

## ■ Greeting from Organizer

Received the full cooperation from the local people of the Izu-Oshima in the year before last November, we were able to hold the orienteering competitions at Mt. Mihara back Desert and Okuyama desert as our long-cherished dream. Also we are very pleased to continue the events at Last year and this year.

The GEO-park is a natural park and we can enjoy the heritage of the Earth's activity. Everyone to participate in the orienteering competition may realized that Izu-Oshima is an island that was created by sprayed up lava from the crater. Also we hope you can enjoy the natural splendor of the Earth. Here in Oshima is only the area with description of "desert" in the map of the Geographical Survey Institute, in Japan.

Izu Oshima is also part of the Fuji-Hakone-Izu National Park, and most of the terrain has been designated a special protection area and the Territory. This time, we obtained the permission of the government to perform the competition on such area, but because we are requested to do the environmental impact study and report before and after the race.

At last, thank you for your special consideration and attention to protect the nature condition.

Event Chairman Atsuroh Hiroe

## ■ Staff

Charman	Atsuroh Hiroe
Competition Officer	Osamu Kimura
Course Setter	Kiyoshi Kogure
Headquarter・Reception	Takashi Yanagisawa, Chikako Yanagisawa, Yohko Yamamoto, Natsuo Itoh,
Timing System Operation	Taketo Kobayashi, Yuhki Fukunishi,
Start	Yosuke Mitani, Madoka Watanabe, Kentaroh Kamata, Yasutomo Uetake
Finish	Hiroaki Saith, Hiroshi Yamamoto, Yuhsoke Ohkubo
Patrol	Tatsuya Miyakawa, Kohtaro Nakamura, Tsuyoshi Sakurai, Mitsumasa Sugimoto
Aid	Mami Inoue
Mapping	Tokumasa Nishimura (NishiPRO)
Beginner training	Tsuyoshi Inamori (Winner of Japan Student Championship, National member for World Orienteering Championship)

## ■ terrain and course outline

Terrain is located across back desert and Okuyama desert zone of Mt. Mihara, center of Izu Ohshima Island. You can observe special terrain of alluvial stretches with lava and volcanic ash that does not look other than this Oshima area in Japan.

There is a mark that has passed through the car in the desert. In some case, there is a place that looks like a road, but not described on the map. We assume no impact for navigation.

It should be noted that the eruption alert level in the current of Izu Oshima is **the level 1 (normal), as volcanic activity is a quiet situation.**

## ■ Competition Center

Event center is located on Oshima Onsen hotel (Mt. Mihara hot spring)

<http://www.oshima-onsen.co.jp/>

The hotel saloon will be available for participants as a waiting stations from early morning.

You can take buffet of breakfast (1,000 yen) at the restaurant. If you have reserved, please indicate your name at the restaurant entrance. You can dine at the cash without pre-booking.

Hotel's shop will provide lunch box and drinks. Those who reserved the lunch box, please receive a lunch box by indicating your name. If there is no reservation, please purchase as soon as possible before it will be sold out.

You can enjoy the Oshima-Onsen Hotel public baths, hot spa (500 yen). There are open-air bath with dynamic and panoramic views of the Mt. Mihara and back desert.

## ■ Timetable

6:30	Competition Center Open
6:30~ 8:30	Restaurant of Onsen hotel open hours
9:00~10:15	Start period
11:00~	Spa open hours
11:30~	Award Ceremony
12:15	Finish closed
13:00~14:00	Departure time of charter bus from competition center to departure

## ■ Competition Information

### **Dicipline**

Point Orienteering  
Long Distance Competition

### **Map**

"GEO-park IZU Oshima back Desert Okuyama desert"  
created 2014  
Scale 1:10,000, Contour interval 2.5m,  
Vegetation(Runnability) four levels , Comply to  
JSOM2007

Printer output, course pre-printed, wrapped into  
plastic bag .

This event uses the following special symbols.

「✕」Black Color : Volcano observation equipments  
or resting place desk

「○」Green Color : Independent trees of pine

「○」Black Color : Trace of charcoal kiln

### **Reception**

For participants who have pre-entry, Please pickup  
backup label and E card (rental seekers only) from the  
reception tent of the headquarters.

If you have some shortage of entry fee or any other  
matters, please come to the headquarters's the reception  
tent.

### **Official Notice Board**

Supplemental important information will be posted on  
"Official Notice Board" located beside event headquarter.

### **Start**

From the event center to start is about 1.5km with  
following blue tape guide (walk about 20 minutes).  
You can not start your race if you forget your E Card.  
Control Description is available at start lane.

This event uses the pre-start system. We provides guide  
with red and white tape from from the start to the point  
indicated by the △ on the map (start flag).

It is highly recommended that you chech the operation  
of the E card before heading to the start at the  
activation check unit located in the vicinity of the  
beginning of the tape guidance to start. In addition,  
please write name and class onto the back up label and  
put it to the E card.

Start will be closed at 10:15. From that close time, You  
can not start as late start.

### **Finish**

Follow "Red and White Tapes" from last control to the  
finisl line. You must follow the tape guide. Otherwise,  
you may be disqualified.

This event uses puhching finish. Formal finish time will

be timing when you set your E-card onto finish unit.

From the finish to the event center is about 300m along  
with the blue tape guide (walk about 3 minutes).

After the finish, please proceed to computing centers  
located within event center and perform readiing  
operation of your E card record with guidance of staff  
there. Rental E cards will be collected at this timing.

We are not able to handle the survey request at  
computing centers, then, please come to the  
headquarter for your declaration.

If you exceed the competition time, or if you assume  
you could not finish within a competition time, please to  
to the finish directly.

Even if you may abstain in the middle of the  
competition, please present the E cardat the finish.  
Alternatively, please contact the headquater staff to  
indicate your decision of your abstain in some way.

**(Emergency contacts (on the event day): 090-8306-5096,  
Yanagisawa mobile)**

### **Control**

Because the terrain is a natural protected area, there  
are several control of only placed on the ground attached  
to the color cone like photo image.

We will display the sample in front of the official bulletin  
board.

You may check the same control twice in the part of the  
class.

### **Punching System**

This event will use the EMIT electronic timing (punch)  
system.

### **Competition Time**

The end of the competition time (finish closing time),  
will be 12:15.

Competition time is, 120 minutes for ME class, and 150  
minutes for other classes. Those who did not finish the  
race within the competition time will be disqualified.

**If you miss the retuen bus, you may not come back**

from the Izu-Oshima during the day. Please come back from terrain area within a competition period.

#### **Refreshment**

We will have refreshment in the competition area.  
There is no refreshment service at start and finish area.

#### **Cloths and equipments**

We do not provided in particular provisions for the clothes in the competition, but there is a place where volcanic rock is exposed, you may have the serious injury. Thus , it is recommended to clothes that do not expose the skin, such as gloves and long sleeves.  
Also in preparation for the case of the unlikely event, it is strongly recommended that you carry a whistle (whistle).

#### **Caution during the competition**

Please do not touch the "**volcano observation equipment**" that is installed in the terrain.  
(Refer to the photo image of the equipment on following page)  
This is due to avoid issuing the alarm of the volcanic activity by mistake.

#### **Survey request**

If there is a doubt about the competition, we will accept the survey request. Please go at event headquarters to perform survey request.  
Competition Officer will investigate the request, and then post the answer on the official bulletin board.

#### **Awards ceremony**

Will award up to third place on each class.  
Award ceremony will be performed sequentially from around 11:30.

#### **Other Information**

Tournament participants, will subscribe to sports injuries insurance. Also, please bring your own health insurance card.

Oshima Medical Center  
<http://oshima-medical-clinic.jp/>

### **■ Competition Class and Distance**

Class	Length	Climeb	Size of control description sheet(mm)
ME	9.0 km	150 m	145 × 50
WE	6.3 km	110 m	110 × 50
MAL-1	7.4 km	100 m	130 × 50
MAL-2	7.3 km	130 m	125 × 50
MAS	4.8 km	70 m	95 × 50
WAL	4.8 km	70 m	95 × 50
WAS	4.0 km	50 m	95 × 50
BL	7.0 km	110 m	140 × 50

BS	4.3 km	60 m	80 × 50

The contents of the above table are subject to change.  
On race day, please check the official bulletin board.

### **■ Other Information**

#### **E-Card**

You can use your own E-card for this competiton. Also, Rental E-Card is available with fee of 300 yen. In the case of damaged or lost, we will compensate for the 7,000 yen.

#### **Compass**

Free rental compass is available. But if you damage or loss it, you will be asked to compensate for the 2,000 yen.

#### **Results**

Competiton's results are posted on the event HP.  
Also result data will be posted to Lap Center.  
<http://mulka2.com/lapcenter/index.jsp>  
If you require printed version of the results, that will be mailed at 500 yen. Please come to the event headquater for application process.

### **■ Event Cancellation**

The party will be held, rain or shine.  
However, if we determine that we can not ensure the safety of participants due to heavy weather condition, we may cancel the competition.  
If we cancel the event, we will post the information on the tournament HP.

### **■ inquiry**

Please use the contact form of the event HP.  
[http://eskantoc.com/izuoshima2016/?page\\_id=60](http://eskantoc.com/izuoshima2016/?page_id=60)

- In case of emergency or you'd like to have direct talk, please call to Mr. Atsuroh Hiroe , chairman of the event.(080-6706-1923)

## Transportation

### To IZU Oshima Island

To approach to the Izu Oshima, you will want to use the ship of Tokai Kisen Co., Ltd. or aircraft. Please refer to the following timetables.

At the Izu Oshima, there are two major ports, Motomachi Port and Okada Port. Large cruise ships at the early morning will arrive at Okada Port. But during the day, arrival port will be change according to the weather condition. Please check the announcement on the ship.

Reprinted from Oshima town HP

### To the event center

#### [Okada Port → Event Center]

Connected to the cruise ship with arrival time on 6:00 from Tokyo / Yokohama, we runs the charter bus from port to the event center (650 yen one way). Estimated time from Okada Port to event center is about 20 minutes.

#### [Motomachi → Event Center]

We runs charter bus, departing 7:30 from the Oshima bus branch office at Motomachi to the event center (650 yen one way). The time required for the event center is about 20 minutes.

For those who signed up the inn through Oshima tourism association, you can stay within walking distance from the bus stop.

For forward charter bus, we uses after payment system. Please proceed immediately to pay for the lane after payment when you arrive to the destination. For those who do not need a change, please use fast pass lane. Also

we will sell return ticket at the same time.

### Return from event center

#### [Event center → port]

We runs the charter bus (650 yen one way) between event center to each destination port with adjusting the departure time from each ships. The time required from the event center to Oshima Port is about 20 minutes.

Return bus will use a pre-payment system. So, please purchase bus tickets in advance.

Purchased bus tickets can also be used in the public bus. But to avoid confusion, Please use the ticket for charter bus service as possible.

Bus is scheduled to depart from around 13 o'clock. We plans to run last bus at 14:00.

### [To Oshima Airport]

Those who use the aircraft, please transfer to a public bus from Motomachi Port / Okada Port, or take a taxi, to Oshima airport.

### Map for Motomachi Area

## ■ Public Transportation

If the event participants use the flights operated via Tokai Kisen Co., Ltd., special discount will be applied. Please download the "embarkation discount card" from the event HP. If you can not download, please contact the event contact.

[http://eskantoc.com/izuoshima2016/?page\\_id=145](http://eskantoc.com/izuoshima2016/?page_id=145)

If you want to enjoy tourism, car rental is convenient. To support such participant, we will provide a parking space at event center area.

From Motomachi Port to Oshima Onsen Hotel, fee is about 2,650 yen by taxi. It should be noted that the taxi in operation is about 12 units.

For detail, please refer to the following HP

<http://www.gotokyo.org/jp/izuoshima/index.html>

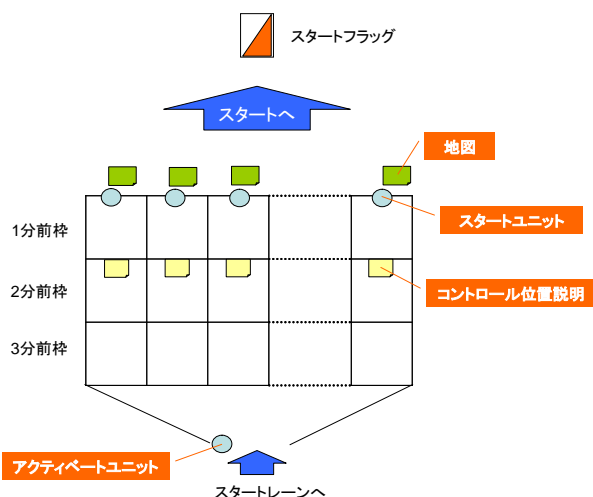

■ Basic Orienteering Procedure(for beginner) only in Japanese

## 受付

- 事前エントリーした参加者は、本部・受付テント横からバックアップラベルと E カード(レンタルを申し込んだ方)をお取りください。バックアップラベルには、自分でクラスと名前を記入してください。
- 当日参加者は、受付で参加申込をしてスタート時刻の指定を受け、必要ならば E カードをレンタルしてください。
- 受付ではコンパスの貸出も行います。

## スタート

- クラスと名前を記入したバックアップラベルを装着した E カードと、コンパス(できれば笛も)を持って、スタート地区に向かいます。
- 大会会場からスタート地区まで、青テープで誘導があります。  
大会会場からスタートまでは 1.5km(徒歩約 20 分)です。自分自身のスタート時刻に間に合うよう、余裕を持ってスタート地区に向かってください
- スタート地区の時計は現在時刻を表示しています。
- スタート時刻の 3 分前になったらスタートレーンの入口で E カードをアクティベートユニットにはめて起動し、係員による出走者確認を受けてください。E カードを忘れると出走できませんので、ご注意ください。  
確認を受けたら、出場するコースの 3 分前の待機枠に入ってください。
- 1 分間隔のチャイマー毎に枠を進んでください。
- 2 分前の待機枠では、コントロール位置説明表を自身でお取りください。
- 10 秒前になったら、スタートユニットに E カードをはめてください。チャイマーによるスタートの合図と同時に E カードを外し、地図を自身で取って、競技を開始してください。  
地図を取った時に、正しいコース図かどうか自分自身で必ず確認してください。  
スタートから地図上に△で示された地点(スタート・フラッグ)まで赤白テープで誘導します。テープ誘導にしたがわないと失格になります。

- 遅刻者はスタート役員に申告の上、遅刻枠から役員の指示にしたがってスタートしてください。遅刻した時間もタイムに加算されます。

## 競技

- スタートフラッグを通過した後は 1 番から順番にコントロールを回って来てください。
- コントロールに到達したらコントロール識別番号(フラッグに表示されている番号)がコントロール位置説明表の番号と一致しているかを確認し、E カードをユニットにはめ込んでください。E カードに通過証明が電子的に記録されます。
- 機械が故障していた場合でも、正確にはめ込んでいれば、バックアップラベルにピン穴が残りますので、通過確認が可能です。
- コントロール識別番号とコントロールユニット固有番号(E カードディスプレイに表示される番号)は一致していませんので、惑わされないようにしてください。

## フィニッシュ

- 最終コントロールからフィニッシュまでは、赤白テープにて誘導します。
- パンチングフィニッシュ形式です。フィニッシュユニットに E カードをはめ込んだ時刻をフィニッシュ時刻として計時します。
- 競技時間を超過した場合、およびフィニッシュ閉鎖時間までに競技を終えられない場合は、速やかにフィニッシュに向かい通過してください。
- 競技途中で棄権する場合も、必ずフィニッシュを通過して E カードを提示してください。あるいは、何らかの方法で大会本部に棄権する旨の連絡をしてください。  
(緊急連絡先(当日): 090-8306-5096、柳澤携帯)  
無断で帰宅されると行方不明者とみなされ、捜索対象になってしまいます。

## 計時

- フィニッシュから大会会場まで、青テープで誘導があります。フィニッシュから大会会場までは 300m(徒歩約 3 分)です。
- 大会会場に着いたら、計算センターの窓口まで進み、E カードの記録読取を行ってください。
- 計時した結果は、速報掲示所に掲示します。

## 成績

- 正式な成績結果は、後日大会ホームページに掲載します。  
<http://eskantoc.com/izuoshima2016/>
- Lap Center にも掲載する予定です。  
<http://mulka2.com/lapcenter/index.jsp>
- 印刷したものが必要な方には 500 円で郵送します。受付にて成績表郵送の申込をしてください。

## ■ Terrain Condition

Terrain has spread grassland at the main part

Sand spread area on the terrain center shows good vegetation (runnability) .On such area, we uses "open land (401)" in yellow.

At the place where the ground in the entire terrain is exposed (sand) is scattered within the terrain area, vegetation(runnability) is good. However, narrow ones might not be adopted on the map. We uses "open sand (211)" to the area of sand area with vegetation(runnability) is not so good compared with level for "open land (401)".

At the area where volcanic rock is exposed, Please take special attention to avoid injury.

Among the shrubs forests, undergrowth does not have much, outlook has become worse.

Volcano observation equipment is a characteristic object as very well noticeable. Please do not touch them definitely.

(540 「×」Black mark:Volcano observation equipment)

(540 「×」Black Mark:Desk at resting place)

(Note) The legend of the number on the previous description is the identification number of the symbol that represents the characteristic object by JSOM (Japan Orienteering map scheme). Map scheme

(JSOM2007) is available from the following URL.

## ■ Notes for your safety orienteering at IZU-Oshima

At last year's event, One participant did not return even after 3 hours passed from the finish closing time.

Participant went into native forest area that has been expressed in the map, and finally she lost her location completely. At that situation, Mobile phone is not connected and also the sound of the whistle did not reached to any other persons within the terrain.

Fortunately, she could arrive in the circumferential road, and rescued by a hiker. Then She was able to come back to the event center before sunset.

For all participants, please be aware of your own safety.

### **Recommended Equipment**

But to think about terrain difficulty and condition, it is recommended to carry a **mobile phone** and a **whistle** in case of the unlikely situation like complete loss. However, the radio wave conditions in the terrain is not so good.

<http://www.orienteering.or.jp/rule/>

### **The detour route in the case of abstention**

With going to west direction basically , You can reach the hiking load directed from Oshima Onsen Hotel to Mt.Mihara. If you go into hiking load, you can safely back up to the event center.

Since the lava area is dangerous, please be careful not to enter those area

If you have entered into the virgin forest, you may fell walking speed slow than usual sense. Not to become anxious, and by believing your compass, please proceed to the west.

In addition, by going to east direction, you can reach the circumferential road (paved road). If you get in the circumferential road, because it is difficult to return to the event center on their own, or use a mobile phone, please ask the rescue caught the car to pass.
